File Permission to connect Motorola H24_A

Insert 0 for +61 within
Australia

Total Pages 2

This is to confirm that Telstra Corporation Limited has granted permission to connect the following device/item under Division 4.5, section 4.9 (2) of the *Telecommunications Labelling (Customer Equipment and Customer Cabling) Notice 2001* to an IMT-2000 carrier network or facility.

Product Name: **H24 Wireless Module**

Manufacturer: **Motorola**

Supplier: **Motorola Australia Pty Ltd**

Description: **UMTS (WCDMA 850/1900/2100) Wireless Data Module**

This is based on the documents submitted by the supplier showing evidence that the above device conforms to the following relevant regulatory requirements listed in the ACMA's document *Interim compliance arrangements for IMT-2000 (3G) mobiles*.

- A-tick test reports 20910212, 20910212S and CBS09111 from Comtest Laboratories
- UMTS Test report - Cetecom – EUT003344
- UMTS Test Reports – ADR
 - 09-WCDMA-50434
 - 09-WCDMA-50435
- Evidence of GCF and PTCRB Certification
- EMC reports are provided.

This carrier permission to connect in no way endorses or guarantees the performance of this device on any IMT-2000 network and does not represent an endorsement of this device by the approving carrier.

On behalf of Telstra Corporation Limited

Lindsay Munks
